1.2 Login Account How could I change my email address?

Change of Email address

Ιf	you are logged in	you can change	vour email a	address by visiting	ı'Mv.	loker' =>	"My Profile"
11	you are logged in	. vou can chande	voui c iliali d	auuless by visitiit		JUNEI -/	IVIV I IUIIIC .

There you will find the "change email" form.

This procedure will send a **verification link** to the new email address. The old address remains active until this **verification link** has been clicked.

Please also consider the activation of our <u>Two-factor-authentication</u>, which provides a high level of security for your account.
