

# Requests

## List of currently working requests

Here you will find the list of the currently working requests, there are 2 types of status for each request.

- available
- not yet implemented

All requests marked with "not yet implemented" will be available during the next weeks.

target	request type	status
domains	support	available
	create order	available
	change owner	available
	change address	available
	transfer domain	available
	remove domain	available
