

1.3 Domain Registration

I had a charge on my credit card, but I do not remember the domain.

Verify charges on your credit card

Please login into our [Support/Contact](#) section, using your login name and your password.

Then choose the topic "Billing" and send us

- the date of charge
- the first 4 and the last 4 digits of the credit card number
- your name

We will then investigate this, and contact you to resolve this problem.
